

## FUNDRAISING GOLF TOURNAMENTS & GOLFATHONS

Eagle Landing Golf Course and WeCare Oregon have partnered to extend a fundraising opportunity to your organization because we believe that we are a team that facilitates growth and change. We have the resources to provide you with a wonderful event that will draw people in and help raise the support that you need to continue your work both financially and relationally.

Together we have customized a package for non-profit organizations to provide expert event planning at a stunning golf course which comfortably fits large or small groups. Hosting your event at Eagle Landing Golf Course offers many advantages to a traditional golf tournament or a golfathon format. WeCare Oregon specializes in delivering affordable solutions and empowering non-profits to achieve their fundraising goals.

### GOLFATHON/100 -HOLE MARATHON TOURNAMENT

The golfathon format is an opportunity to round up your team of supporters (30 - 90 participants) to play a designated amount of holes within a set period of time (i.e. 100 holes for 6 hours). Each participant raises money through pledged donations for the completion of the amount of holes played in the tournament.

### GOLF TOURNAMENT

No longer will "once a year" golfers drudge their way through a 5+ hour round concluded by an unfortunate cold hamburger/hotdog combo. Your tournament can be played in two short hours, and allows plenty of time to hold contests, eat and enjoy the company of one another.

Included in the Package:

COURSE FEES

EVENT MANAGEMENT SERVICES

GOLFATHON & GOLF TOURNAMENT TOOLS AND TRAINING

CATERING COORDINATION & MEALS INCLUDED

VOLUNTEER MANAGEMENT

Ask about our creative fundraising solutions that can be incorporated into your event to make this tournament one that will strengthen your organization and your ability to reach out to a community that is always in need. Eagle Landing Golf Course & WeCare Oregon look forward to holding your event in 2010! Please contact Courtney Banister (503) 620-0990 to learn more about this great fundraising opportunity.
